

... to Know, Grow In, and Serve Jesus Christ

Dr. David R. Kimberly, Sr. Pastor

April 29, 2010

Dear Members and Friends of Faith Community Fellowship,

Hello! This letter will get you up-to-date on the Capital Campaign and will recap some of the points that Gary Pettay brought up at the three services last Sunday, 4/25/10. The music room should be finished this week then work will start on the women's restroom. The women's restroom will be closed, possibly this Sunday, **so the women will be using the current men's restroom. The men will be using the handicap restroom outside of Victoria's office.** So when nature calls, everyone please read the signs to prevent any embarrassment!

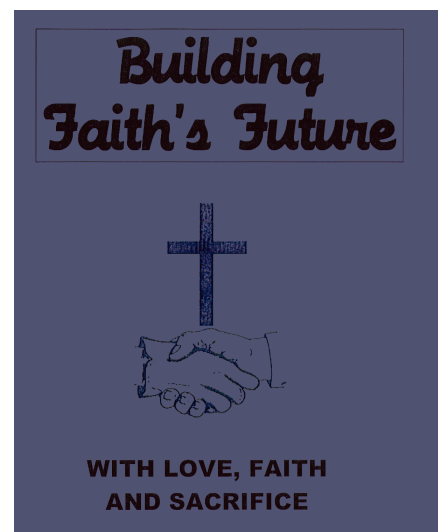

One thing that Gary mentioned at the last Follow Up team meeting was that the General Contractor from St. Clair/Pavlis has really enjoyed working with the members from Faith Community Fellowship. That says a lot about our church.

As of March 31, we have two new contributors to Building Faith's Future (BFF). In total we have received approximately \$39,000 from people who didn't commit to giving, but are doing so anyway. We now have 27 people who have paid their commitments in full. And 13 people have given beyond their commitment. Our commitment total is now \$727,053, of which over \$452,500 has been paid. Thank you again for your faithfulness.

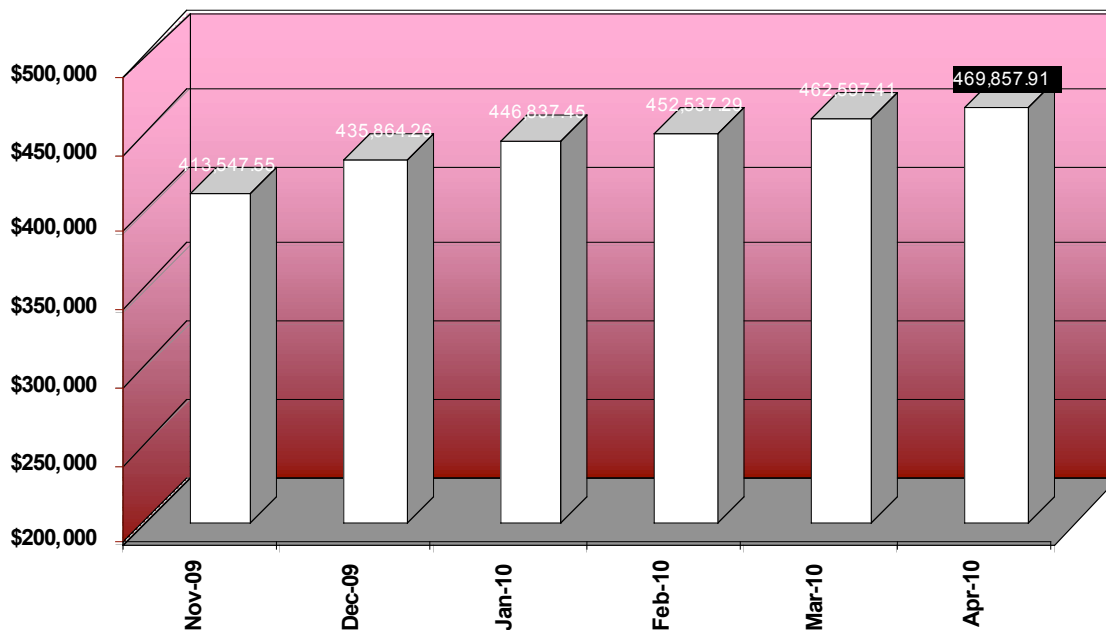

Please make time this week to say a prayer for our church members and friends. And say a *special* prayer for our *special* seniors – those who no longer can make it here regularly. They have helped make our church what it is today. And thank God for all he has done for us.

May God Bless and Keep You,

Capital Campaign Manager
