

What Jesus Taught His Small Group
Luke 10:1-12

One of the most difficult situations to be put in is to be given the responsibility to do something, but not the equipment or authority to do it!

God has given us the responsibility to

Continue Jesus' ministry

In order to do that we need to

Experience His love *Romans 5:5*

Obey His commandments *James 14:21*

Proclaim His death *I Corinthians 11:26*

We are doing this here at FCF . . .

Make sure you are doing this in your

Small group
